

DO-Touch.NET

NETWORK UPDATES

- Our study on Post-COVID and OMT has launched at the Gutensohn Clinic in Kirksville, MO! We are officially live with the study! Emails have been sent to interested external sites to begin coordination for patient recruitment! If you are interested in participating as a site in this study, please reach out to dotouchnet@atsu.edu.
- Our first card study on the use of OMT in treating non-musculoskeletal conditions is live. We are currently recruiting clinicians to participate in the study. Please respond to the clinician recruitment email to sign up for the study!

MEMBER SPOTLIGHT

ALL OF YOU!

DO-Touch.NET is thankful this holiday season for all of our members! Without you, we wouldn't be here today working together to advance the field and understanding of osteopathic medicine. Happy holidays from everyone here at the DO-Touch.NET Coordinating Center Team and we look forward to another great year of working together!
